- Late payments incur a penalty of R300 per month.
- One full term of written notice (4 months) is required before withdrawing a child. Failure to provide this notice will result in forfeiture of the refundable deposit.
- The once-off, non-refundable enrolment fee secures a child's place and supports the playground, bike track, sensory garden, classrooms, learning equipment and security.

- 10% sibling discount on the second or subsequent sibling's school fee when attending during the same year.
- 8% discount on annual school fees paid before 1 January 2027, for children enrolled five days per week.
- 5% discount on termly school fees paid on 1 January, 1 May or 1 September 2027, for children enrolled five days per week.
- Discounts apply only to full-time enrolment school fees, require payment on the agreed dates and are limited to one discount per child.
